WHO AM I ?

Hey there! I'm Kaku, a travel, lifestyle & commercial content creator from Sri Lanka. After bidding farewell to the corporate world, I embarked on a fulfilling journey as a freelance photographer and videographer, immersing myself in the vibrant tapestry of visual storytelling.

For the past four years, I've had the privilege of collaborating with diverse individuals, businesses, and brands, capturing moments that transcend boundaries and resonate with audiences worldwide.

I would highly recommend Kaku. He did a yoga photo shoot for me and made me feel totally at ease and comfortable. He had great ideas for the setting and backdrop and I am so pleased with the end result.. The photos are amazing and I've had some fabulous feedback about the pictures - thank you Kaku

jackrobinson13 

Kaku was extremely responsive and provided excellent photography that went above and beyond my expectations. If you are looking for great photos that will help your product sell, be sure to contact Kaku!
